

Kenneth Olden, Ph.D., Sc.D., L.H.D.

Chairman, Research Triangle Environmental Health Collaborative

EDUCATION

1970 - Ph.D., Cell Biology/Biochemistry; Temple University (research done in absentia at the University of Rochester)

1964 - M.S., Genetics; University of Michigan

1960 - B.S., Biology; Knoxville College

HONORARY DEGREES

2007 Sc.D., NC State University, Raleigh, NC

2006 Sc.D., Tulane University, New Orleans, Louisiana

2005 Sc.D., Metropolitan University, San Juan, Puerto Rico

2004 Sc.D., University of Medicine and Dentistry of New Jersey

2003 L.H.D., College of Charleston

2003 Sc.D., University of Rochester

PROFESSIONAL EXPERIENCE

1991-Present **SCIENTIFIC: Chief, Metastasis Section**, Laboratory of Molecular Carcinogenesis, Environmental Carcinogenesis Program, Division of Intramural Research, NIEHS.

2006-2007 **ACADEMIC: Yerby Visiting Professor**, Harvard School of Public Health, Boston, Massachusetts.

1991-2005 **Director**, National Institute of Environmental Health Sciences, National Institutes of Health; and **Director**, National Toxicology Program, Research Triangle Park, NC .) (FY1991 Budget-\$241,028,000; FY2004 Budget - \$710,701,000; Increase of 195%; Census Count – 1,466) The first African-American to become Director of one of the 18 Institutes of the National Institutes of Health in the history of the agency.

1985-1991 **Director** of the Howard University Cancer Center, **Professor and Chairman** of the Department of Oncology, Howard University Medical School, Washington, DC.

1982-1985 **Associate Director for Research and Deputy Director**, Howard University Cancer Center, and Associate Professor of Oncology, Howard University Medical School, Washington, DC.

1979-1982 **Associate Director for Research**, Howard University Cancer Center, and Associate Professor of Oncology, Howard University Medical School, Washington, DC.

1978-1979 **Research Biologist**, Division of Cancer Biology and Diagnosis, National Cancer Institute (NCI), National Institutes of Health, Bethesda, MD. (Tenured position)

1977-1978 **Expert** (Biochemistry), Division of Cancer Biology and Diagnosis, NCI, National Institutes of Health, Bethesda, MD.

1974-1977 **Sr. Staff Fellow**, Laboratory of Molecular Biology, Division of Cancer Biology & Diagnosis, NCI, National Institutes of Health, Bethesda, MD.

1970-1974 My wife and I ran a dormitory (Bernard Hall) at Radcliff College in Cambridge, MA.

1970-1974 **Research Fellow and Instructor of Physiology**, Harvard University Medical School, Boston, MA.

Summers

1971-1973 **Instructor of Cell Biology**, Harvard University, Cambridge, MA.

1964-1965 **Instructor of Biology**, The Fashion Institute of Technology (Junior College, an extension of the New York State University Educational System), New York, NY.

1964-1965 **Research Assistant**, Department of Biological Chemistry, Columbia University, New York, NY.
