

## AGENDA (Zoom meeting intel below)

### November 3: Pre-Webinar Training (9:00-11:00am)

- Presentations and Q/A: four 20 min talks and 10 min discussion
  - Disaster Research Response (DR2) Program (incl. RAPIDD) – *Aubrey Miller, NIEHS*
  - National Response Framework – *Katie Webster, NC Emergency Management*
  - Engaging with communities and response network in a time of disaster. *Jill Christensen, Day One Relief*
  - Communication strategies in time of disaster – structure to facilitate communication, for communities to communicate their needs; for researchers to be a part of but not in the way. *Courtney Peragallo, UNC*

### Day 1: November 3

- **12:00-12:05** Introduction and Logistics – *Martin Armes, EHC*
- **12:05-12:10** Welcome – *Gwen Collman, NIEHS*

#### Plenaries: NC Disaster Response for historical disasters, with a focus on where community and research comes together

- **12:10-12:30** Public Health – *Brian Combs, NC DHHS*
- **12:30-12:50** Public Safety – *Katie Webster, North Carolina Division of Emergency Management*
- **12:50-1:00** Q&A

#### Panel: Sector Perspectives

- **1:00-2:00**
  - **Responder:** *Rett Newton, Mayor of Beaufort NC; Ashlee Fitch, Tony Mazzochi Center*
  - **Community:** *M. Chris Herring, NCCU/SCC, Lariza Garzón, Episcopal Farmworker Ministry*
  - **Researchers:** *Lee Ferguson, Duke; Jamie DeWitt, ECU*
- **2:00-2:15** Q&A
- **2:15-2:30** Break

#### Breakout Discussions

- **2:30-2:45** Setting the Stage for Breakout Sessions – *Aubrey Miller, NIEHS*
  - Overall goals
  - Orientation to the scenario
  - Logistics
- **2:45-3:45 Facilitated Breakouts: Mixed Perspectives (you will be randomly assigned to groups)**
  - Introduction of breakout group members - What is your sector/organization's role or interest in post disaster research?
  - Questions – related to the scenario: What data do you have access to and what do you need to know?

- **3:45-4:30 Lightning talks** (trainee presentations, tools or resources, research, organization overview, personal experiences, etc.)
  - Susannah Tuttle, NC Interfaith Power & Light*
  - Andrew Shoenig, Rural Forward*
  - Kelsey Pieper, Northeastern University*
  - Wesley Hayes, Northeastern University*
  - John Staley, UNC Chapel Hill*
  - George Woodall, US EPA*
  - Brett Perkison, University of Texas*
  - Andrew Jones, Duke*
  - M. Chris Herring, NCCU/SCC*
  - Stephanie Johannes, NC Clinicians for Climate Action*
  - Richard Kwok, NIEHS*
- **4:30-4:45 Closing Remarks**

## Day 2: November 4

### Recap and Report Backs

- **9:00-10:00** Recap and report backs from Day 1 and breakout discussions (one volunteer from each breakout group and time for discussion and Q/A) – Moderator: *Martin Armes, EHC*
- **10:00-11:00** NC Case Studies with an environmental exposure showing breadth of disaster scenarios in the state, real-world experiences where there has been a benefit to 1<sup>st</sup> responder – community research partnerships (and to identify the real stumbling blocks)
  - Tom Ward/Kulpana Akpan, IBM*
  - Andrew George, UNC*
  - Liz Shapiro, Duke*
  - Krystal Taylor, ECU*
- **11:00-11:15** Break

### Breakout Session

- **11:15-12:00** Breakout Session to identify recommendations of next steps (you will self-select the work group depending upon topic)
- **12:00-12:30** Report backs and discussion
- **12:30** Closing Remarks – *Martin Armes, EHC*
